TO: 2009 H1N1 Vaccine Providers Who Received Certain Lots of H1N1 Nasal Spray Vaccine

FROM: Beth Rowe-West, R.N., B.S.N., Head
 Immunization Branch

RE: Important Information Regarding MedImmune H1N1 Nasal Spray Vaccine Expiration Dating

If you are receiving this letter, your office has received vaccine from the lots of Influenza A (H1N1) 2009 Monovalent Vaccine, Live Intranasal that has a shorter expiration period than that indicated on the label.

The following lots are affected by the shorter dating period:

Influenza A (H1N1) 2009 Monovalent Vaccine Live, Intranasal Expiration Date Update
Lots shipped to providers in North Carolina are bold.

Product Code (NDC)	Lot Number	Labeled Expiration Date	Re-Assigned Expiration Date
66019-200-01 66019-200-05 66019-200-10	500778P	1/29/2010	1/15/2010
	500779P	2/4/2010	1/15/2010
	500780P	2/6/2010	1/15/2010
	500781P	2/10/2010	1/15/2010
	500782P	2/11/2010	1/15/2010
	500783P	2/12/2010	1/15/2010
	500784P	2/14/2010	1/15/2010
	500785P	2/16/2010	1/15/2010
	500796P	2/17/2010	1/15/2010
	500797P	2/19/2010	1/15/2010
	500798P	2/21/2010	1/15/2010
	500799P	2/22/2010	1/15/2010

These lots should be used by January 15, 2010 as indicated in the table above regardless of the expiration date imprinted on the sprayer.

You may continue to administer vaccine from these lots until January 15, 2010. Please see Prescribing Information for indications and usage, dosage and administration, and safety information.

MedImmune will send providers directions for returning any unused vaccine from these lots. If you transferred vaccine to another provider in your community, please share this information with them. Also be sure to pass along MedImmune’s directions for returning unused vaccine.

Should you have any questions regarding this information, please contact MedImmune at: 1-877-574-5040.
Should you have any medical questions please contact MedImmune at: 1-877-633-4411.
