MEMORANDUM

TO: Birthing Hospital Supervisors
FROM: Beth Rowe-West, RN., BSN, Head Immunization Branch
SUBJECT: Hallmark Cards Shipment

The 2013 Hallmark Immunization Greeting Cards have arrived! Hospitals will need to place orders for the cards they would like to receive. You also may order inserts for the greeting cards. Limited quantities of lifetime immunization cards and recommended schedule cards are available. Because quantities of these inserts are extremely limited, please be aware that not every order for inserts can be filled.

Governor Pat McCrory supports immunizations and the Hallmark Greeting Card program to ensure all children born in North Carolina receive culturally-appropriate information concerning the importance of immunizations. Your participation in this initiative helps make that happen. Thank you!

If you have questions or would like more information about the Hallmark Greeting Card Program, please contact Michele Burton at 919-707-5555. Please fax this order form to 1-800-544-3058.

Form with fields: Contact Name and Email Address, Organization, Address, City/State/Zip Code, Telephone, Number of Hallmark Cards needed for the Next 12 Months, Number of Lifetime Immunization Cards, Number of Recommended Schedule Cards.
