MEMORANDUM

TO: North Carolina Immunization Program (NCIP) Providers

FROM: Wendy Holmes, RN, Head *WH*
Immunization Branch

SUBJECT: 2018 Regional Immunization Workshops and Annual Training Requirements

The purpose of this memo is to announce the 2018 Regional Immunization Workshops and to share educational opportunities associated with Vaccines for Children (VFC) program requirements. This year's "Vaccines Work! Constructing Your Future" workshops are designed to assist VFC Providers' primary and back-up coordinators in meeting the annual Centers for Disease Control and Prevention (CDC) training requirements. Primary and back-up coordinators that are unable to attend the regional trainings must complete modules 10 and 16 of the "You Call the Shots" trainings on the CDC website to meet the annual training requirement.

Participants will learn of updated CDC requirements and best practices and how they may impact service delivery. Continuing Education credits will be available to participants upon completion of the workshop. Participants must complete 100% of the workshop to qualify for the credit. These regional trainings are not open for Non-VFC providers.

Registration is now open for the following dates and locations below. Please remember to register before the registration closes at <https://www.wakeahec.org/programsdspl.asp?dspl=Public%20Health>.
