FROM: Marshall Tyson, Branch Head *MT*
Children and Youth Branch
Division of Public Health

Wendy Holmes, Branch Head *WH*
Immunization Branch
Division of Public Health

RE: Immunization Compliance Reporting

All North Carolina schools are required to report annually on the status of Immunization compliance for all students in Kindergarten and in Seventh Grade (G.S. 130A-155(c)). Students must be compliant with regulations within 30 calendar days of school admission. Reporting is mandated within 60 calendar days after commencement of the new school year. As a result, compliance reports are due no later than **November 1, 2019**, but may be completed at any time prior to that date and are now open.

Reports must be completed on-line by school name and ID number at:

<https://www.surveymoz.com/s3/4927478/2019-20-Annual-K-12-Health-Assessment-Report-and-Immunization-Report>

Instructions and work sheets are available for download at the report web address that may be used in advance to collect the data needed before entering your individual school information on-line.

Immunization Report questions should be directed to Nikki Barbour at Nikki.barbour@dhhs.nc.gov.

Please ensure that this information is shared with appropriate staff members. Thank you for your support in these efforts to keep students healthy, in school and ready to learn.
