### Target Audience

Vaccine for Children (VFC) Provider, Primary and/or Back-up Coordinator

### Workshop Description

The purpose of the regional workshops is to ensure vaccine availability and efficacy through appropriate storage, handling and accountability.

### Learning Objectives

At the end of this educational activity, participants will be able to:

- Identify CDC and NCIP requirements and how they may impact service delivery.
- Review new immunization rules and requirements.
- Describe appropriate vaccine management and best practices.
- Identify methods to enhance effective vaccine communication.
- Identify and understand changes and updates to the NCIR.
